

We would like you to join us for
Scott Helmer's 'Party in the Dirt'
Fundraiser for Angel Horses, Inc.

Scott will perform in a concert fundraiser to benefit Angel Horses to help continue offering their services at no charge to special needs adults, kids and senior citizens.

Scott Helmer is an American Singer-Songwriter and musician. His music tells stories of love, pain, starting over, social issues and more. He appeals to fans of rock and roll, classic rock, pop and country. He has opened for iconic acts such as Heart, Eddie Money, 3 Doors Down, Jeff Bridges, Big Country and Eric Burdon & The Animals.

Scott performs special fundraising concerts and has helped to raise more than 2 million dollars for great causes across America like military veterans and their families, **equine-assisted therapy**, suicide prevention, first responders, animal rescues, food banks, special needs children and adults, anyone or any group in need of his support. Scott's story is one of collapse and comeback. Once a successful, independent business man, when the economy was spiraling out of control, he desperately tried to save his business by illegal means. In the end he lost everything, his business, his family, his possessions and his self respect. He was indicted for his crimes and faced time in prison. He was on the verge of suicide and cried out to God for help and vowed to take responsibility for his actions and turn his life around. He vowed to never give up and to give back to others through his music and his fundraiser concerts.
